### Limitations

- Neither the Power Pack digital files nor any hard copies of the files may be shared with other schools or districts.
- Power Pack Digital files may not be distributed by email; instead, files should be copied to a CD to be loaded onto individual computers or saved on a school network drive.
- Power Packs may be copied to a shared network drive for one school's use, but they may not be stored on any drive that is accessible to the public or other schools and/or districts.
