Book Title: The Rainbow Fish

Where did the rainbow fish live?

If you were the octopus, what advice would you have given the rainbow fish?

What did the rainbow fish tell the little fish the first time he asked him for a flashing scale?

Who did the rainbow fish go to for advice?

Besides giving away his scales, what else could the rainbow fish have done to make friends?

Why do you think the author wrote the story of the rainbow fish?

How did the rainbow fish's feelings change during the story?

Have you ever had an experience like the rainbow fish? Explain.

How many colorful scales did the rainbow fish keep at the end of the story?

How would the story have been different if the octopus had not been in his cave?
