

Dear Parents,

Today I am sending home the very first Scholastic Book Club order form. We are starting with the Arrow catalog for September. If you haven't ordered from Scholastic before, please consider doing so this year. Their prices are very reasonable and the quality is excellent. Did you know that every day is a "tax-free holiday" when it comes to Scholastic orders? You never pay sales tax, and you don't even pay shipping and handling.

One book that I would like you to consider ordering from Scholastic is their **Children's Dictionary** (on page 3 of the flyer). It's a large hard-cover book and it's a terrific tool for learning!

I would like to recommend the following items:

- Children's Dictionary
- Math Dictionary
- Sports Illustrated for Kids Subscription
- Savvy
- The Magic Thief
- Percy Jackson & The Olympians
- How to Be a Genius
- Island of the Blue Dolphins
- No Talking
- Everything You Need to Know set

This month Scholastic has a wonderful deal – if teachers can get together a \$200 order they will give the class 4,000 or more bonus points which can be used to buy books and classroom materials. That many bonus points works out to several hundred free books for the classroom! If we reach our goal of \$200, I will let each child who placed an order get one free book from an upcoming book order. In addition, if you place your order online, our classroom gets a free book pick.

Please return all book orders the date shown below. I'll let you know when we reach our goal of \$200. Even if you decide not to order, please sign below so that I know you are aware of our class goal. I understand if you feel you can't place an order at this time. As always, thanks for your support!

Order Due Date: _____

Online Orders: To pay with a credit card, go to www.scholastic.com/bookclubs.

Class User Name: _____ **Password:** _____

Classroom Orders: Please send in a check made out to Scholastic.

Sincerely,

Student _____ Parent Signature _____
