

# Accelerated Reader Code of Conduct

The purpose of the Accelerated Reader program is to encourage reading and improve reading skills. With this in mind, students are expected to follow the rules described below:

1. Students may only take tests on books they have read or that someone has read to them.
2. Students may not take a test on a book which has been made into a movie unless they have read the book.
3. Students may not use Cliff notes, classic comic books, videos, or abridged versions of the book to try to pass the test.
4. Students may not take tests for other students.
5. Students may not discuss AR questions or answers with other students.
6. Students must not reveal their password to anyone other than a parent or teacher.

## Consequences

Students who break the rules will face the following consequences:

1. The test or tests involved in the cheating incident will receive a score of 0.
2. The student will not be able to earn any rewards in the AR program for the remainder of the school year.

I agree to follow the Accelerated Reader Code of Conduct described above.
