

Dear Parents,

Today I'm excited to be sending home our very first Arrow Scholastic Book Club catalog! If you haven't ordered from Scholastic before, please consider doing so this year. Their prices are reasonable and the quality is excellent. Did you know that every day is a "tax-free holiday" when ordering Scholastic books? You never pay sales tax, shipping, or handling.

**This month Scholastic has a wonderful deal – if we place a \$200 order, our class will earn over 6,000 bonus points to buy books and classroom materials.** That many bonus points can provide dozens of free books for the classroom! If we reach our goal of \$200, I will let each child who placed an order get one free book from an upcoming book order. In addition, if you place your order online, our classroom gets a free book pick to add to our class library.

One book that I would like you to consider ordering from Scholastic is their newly updated **Children's Dictionary**. It's a large hard-cover book and it's a terrific tool for learning!

I would like to recommend the following items:

- Scholastic Children's Dictionary
- Scholastic Children's Thesaurus
- The 39 Clues Boxed Set
- Scholastic Pocket Guide to Grammar
- Island of the Blue Dolphins
- Newbery Value Collection
- Oil Spill: Disaster in the Gulf
- National Geographic Kids World Atlas
- Percy Jackson Library
- Book of Greek Myths

You can also purchase book club certificates now at half price that can be used later. For \$10 you can purchase \$20 worth of book club certificates to be applied to a future order.

Please return your book order by the date shown below. I'll let you know when we reach our goal of \$200. Even if you decide not to order, please sign below so that I know you are aware of our class goal. I understand if you feel you can't place an order at this time. As always, thanks for your support!

Sincerely,
