Seek & Spell Challenge Seasonal Mystery Words includes sets of letters that form 12 mystery words or phrases that are related to seasons or holiday. Exact dates are not given because many of the holidays occur on a different date each year. Each set has 3 printables, each in a different format, so you can choose the style that best meets the needs of your students. Two of the pages include lines under confusing lower case letters, but the third page does not.

In this activity, students cut apart the letters and move them around to create words. As they work, they attempt to find the mystery word or phrase that uses all letters. If your students are not able to find the mystery word or phrase in a few minutes, you can give them hints about its meaning. The letters on the printables are lower case, but three of the mystery words or phrases above are proper nouns. On the days that you use Easter basket, Memorial Day, and Mayflower, you may want to give your students a hint that the mystery word or phrase might include a proper noun.
