

Dear Parents,

Today I am sending home the very first Scholastic Reading Club order form. If you haven't ordered from Scholastic before, please consider doing so this year. Their prices are reasonable and the quality is excellent. You never pay sales tax, and you don't even pay shipping and handling. All orders are shipped directly to our classroom. Also, when you order from Scholastic you are supporting our classroom because we get bonus points from every order that we can use to buy books for the class!

Scholastic has many terrific books, and these are a few I would like to personally recommend for my students:

This month Scholastic is offering a wonderful deal! Any class that places an order of \$300 or more by the end of September will receive 10,000 bonus points! That many bonus points will result in hundreds of free books and other materials for our classroom! In addition, our class will be able to spend \$30 on our first order if we reach this goal.

Scholastic makes it easy to order online and pay with a credit card. To order online, go to the website below, enter our class activation code, and follow the directions on the site. If you would prefer to use the paper order form, fill it out and send it in with a check made out to Scholastic. Please place all book orders by the date shown below. I'll let you know when we reach our goal of \$300. Even if you decide not to order, please sign below so that I know you are aware of our class goal. I understand if you feel you can't place an order at this time. As always, thanks for your support!
