

# Show & Cheer

Materials: task cards, dry erase boards and markers,  
Show & Cheer card, one team crayon

Directions:

1. Stack the task cards face down in the center of the team.
2. Choose the first Leader; rotate Leaders after each round.
3. The Leader flips over the top card and reads it aloud.
4. Everyone solves the first problem or answers the question on his or her own dry erase board without talking. Place boards face down when finished.
5. The Leader says "Show!"
6. Everyone shows his or her answer. Discuss your answers and makes sure everyone understands the answer and any mistakes that were made.
7. Each person who had the correct answer colors a square on the team Show & Cheer Card.
8. The person to the Leader's left becomes the new Leader.
9. Each time a row is completed, the Leader says, "Cheer!" Team members celebrate with a team handshake or quiet team cheer.
