

8 Multiple Intelligences

Skills and Interests

Multiple Intelligences

Sets of **abilities**,
mental skills, or
talents we use to
solve problems or
to **create products**

Verbal-Linguistic

Skills & Interests

- Reading, spelling, and writing
- Using precise vocabulary
- Telling jokes and riddles
- Playing word games
- Creating stories

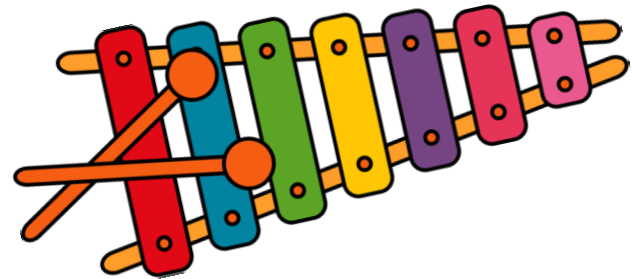

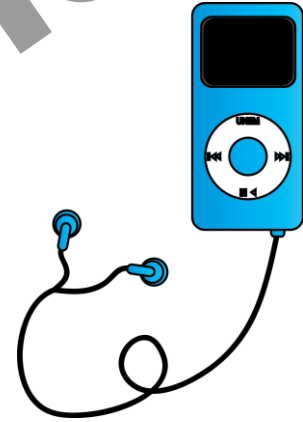

Word Smart

Musical-Rhythmic

Skills & Interests

- Tapping, clapping, humming
- Singing and writing songs
- Learning through music
- Playing an instrument
- Listening to music

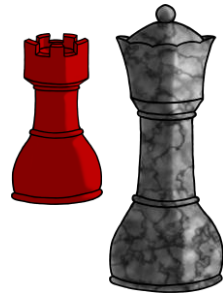

Music Smart

Mathematical-Logical

Skills & Interests

- Using numbers and symbols
- Organizing and analyzing
- Playing strategy games
- Solving logic problems
- Experimenting

Math Smart

Bodily-Kinesthetic

Skills & Interests

- Learning with hands-on lessons
- Walking, swimming, sports
- Constructing and building
- Acting and role playing
- Manipulating objects

Body Smart

Visual-Spatial

Skills & Interests

- Visualizing objects and events
- Reading maps and diagrams
- Creating charts and graphs
- Coloring, drawing, doodling
- Taking pictures

Art Smart

Interpersonal

Skills & Interests

- Communicating with others
- Seeing other viewpoints
- Working with a team
- Discussing ideas
- Making friends

People Smart

Intrapersonal

Skills & Interests

- Questioning and wondering
- Thinking about feelings
- Setting personal goals
- Reflecting on progress
- Keeping a journal

I wonder why....?

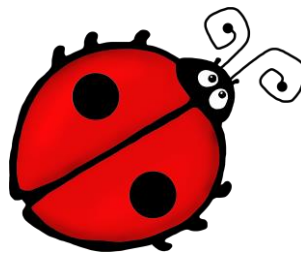

Self Smart

Naturalist

Skills & Interests

- Protecting the environment
- Studying about weather
- Being outside in nature
- Taking care of animals
- Planting a garden
